## Why choose us?

- Privileged to hold one of the limited exemptions to use natural fish berley to attract sharks.
- The use of berley gives us the highest chance of sighting sharks and productive interaction close to our vessel and cage, resulting in a memorable encounter and wonderful photographic opportunities.
- No minimum numbers for Shark Cage Diving tours.
- Gyroscopic stabilized Shark Cage Diving vessels which greatly minimises seasickness and increases comfort throughout the day.
- Daily update of shark sightings on social media and sighting history since January 2011 displayed on our website.
- Top side viewing from the main or bridge deck.
- No dive experience necessary. All equipment is provided.
- GoPro camera hire; Photo package and souvenirs available on board.
- Multiple tour discounts apply.
